CINC TEAM LEADS

⚡ **PETER WEATHERLEY**

⚡ **AARON JURY**

⚡ **LIAM COSTA**

THE CINC APPROACH.

- ✓ Performed an early buildability study that identified & resolved inoperability issues
- ✓ Forward procurement to prevent any impact of rising material costs
- ✓ CINC manufactured switchboards in house reducing time & costs
- ✓ Worked in partnership with other on-site contractors to ensure smooth integration of works, effectively minimizing conflicts & reducing overall project delays
- ✓ Incorporated value engineering solutions, optimizing the design to improve operational efficiency & reduce long-term maintenance costs
