Hear and Say Ashgrove  
Builder: Matrix  
Contract Period: 40  
Contract value: \$820,000.00

Electrical Data and Security Services were involved in the Electrical fit-out of Brisbane's not-for-profit organisation, Hear and Say.

Hear and Say is one of the leading Paediatric Auditory-Verbal and Cochlear Implant centres in the world, teaching children who are deaf to listen and speak since 1992. The organisation has now gone to the next level in order to meet the demand of the deaf in Queensland by fundraising in an effort to complete the construction of their new state-of-the-art hearing precinct located on Nathan Avenue, Ashgrove.

EDSS conducted the following scope of works at Hear and Say;

- Supply and Installation of all internal and external Lighting
- Supply and Installation of all Power, Communications and MATV
- New Main Switchboard & Distribution Boards
- Fire Detection System
- Security System

EDSS are pleased to have collaborated with Matrix to help bring this new facility in to action in 2015.
